

The Restless Wave: Good Times, Just Causes, Great Fights and Other Appreciations

In this candid new political memoir from Senator John McCain, an American hero reflects on his life and what matters most. I don't know how much longer I'll be here. Maybe I'll have another five years. Maybe, with the advances in oncology, they'll find new treatments for my cancer that will extend my life. In this candid new political memoir from Senator John McCain, an American hero reflects on his life and what matters most. I don't know how much longer I'll be here. Senator McCain recalls his disagreements with several presidents, and minces no words in his objections to some of President Trump's statements and policies. At the same time, he offers a positive vision of America that looks beyond the Trump presidency. The Restless Wave is John McCain at his best. ...more The Restless Wave: Good Times, Just Causes, Great Fights and Other Appreciations PDF ebook
