

**Marriage Vacation** In season four of Darren Star's hit TV Land series *Younger*, the editors at Empirical Press are shocked and deeply moved when they read *Marriage Vacation*, an autobiographical novel by the publisher's estranged wife, Pauline Turner Brooks. Knowing the book will cause a sensation, they decide they must. In season four of *Younger*, the editors at Empirical Press are shocked and deeply moved when they read *Marriage Vacation*, an autobiographical novel by the publisher's estranged wife, Pauline Turner Brooks. Knowing the book will cause a sensation, they decide they must publish it. Now you can read what the hype is about. To find herself she might lose everything. By all appearances, Kate Carmichael had the perfect life: two adorable daughters, a pre-war town house on the Upper East Side, and a husband who ran one of the most successful publishing companies in New York. But when Kate attends the wedding of two of her oldest friends and reconnects with successful classmates from graduate school, she suddenly sees her life in a different light: the career she didn't pursue, the dreams she's locked away, the empty veneer of her privilege. When the wedding weekend ends, instead of heading home to her husband and family, Kate gets on a plane and flies halfway around the world. She claims it's just going to be for a week "two max" so she can clear her head, make headway with her writing, and shake free of the feeling that time is passing her by. But just like Kate's life, the adventure doesn't go quite as planned. When it's time to return, she finds herself trapped between wanting to be a good mother and partner and needing to find herself again. This provocative and gripping novel asks: is a wife and mother allowed to have a midlife crisis? And, if she does, can she ever be forgiven? *Marriage Vacation* is for anyone who has ever fantasized about what it would be like to run away from it all. ...more [Marriage Vacation PDF ebook](#)
